5702 Brookside Rd., Centerton
(479) 795-0751

Household products that are dangerous and harmful to people, animals and the environment are "household hazardous waste" (HHW).

HHW may be disposed by paying a fee.

Unknown products or commercially generated materials **will not** be accepted.

Acceptable HHW includes:

- Automotive products
- Batteries
- Cleaning products
- Fluorescent and HID light bulbs
- Lawn and garden products
- Paint
- Sharps

BULKY WASTE

Household appliances, electronics and furniture are often difficult or costly to properly dispose of due to their large size or the hazardous nature of some components.

Transfer stations and landfills may accept some of these items for disposal.

The Benton County Solid Waste District in Centerton accepts these items for recycling or disposal.

****Free to Benton County Citizens ****
